

# Let's Celebrate Neurodiversity Awareness Week 17th-23rd March 2025

Is your child awaiting an Autism Assessment?

## NEURODIVERSITY...

WE ALL THINK **DIFFERENTLY**

All of us think, learn and process information differently. This session will celebrate your child/YP's brain and explore ways that you can begin to talk to them about their differences, embrace their strengths and empower them for their future.

Come along to this online parent/carer session

**21st March 2025**

**10-11am**

**Via Zoom**
