# MDE App Instructions

1. After downloading and opening the app you will be prompted to create an account at the login screen. Simply click on the Sign Up button and enter the following details:

   - Email
   - Password
   - Full Name
   - Year of study/Trainee type/Trainer

2. You will then see your profile and a list of drop down sections to choose from.
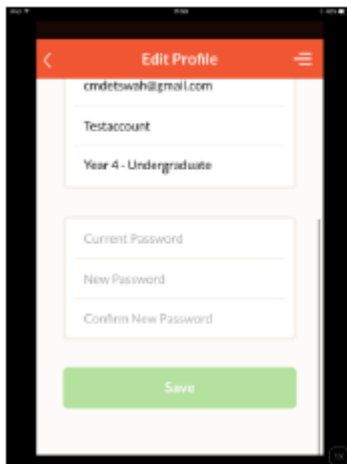

How to Update Your Profile on the MDE App

Log in on your tablet/smartphone then click on 'Edit Profile'.

Click on your account type e.g. 'Year 3 Undergraduate'

Choose your new year etc. from the revolving list of options.

To save the changes to your account you must also enter a new password. Once you have updated your password click Save.

You will receive this message once your profile has been successfully updated.
