

# Derry Multidisciplinary Team (MDT) Involvement Plan – Involvement Opportunity for Service Users

The Primary Care Multi-Disciplinary Team (MDT) project is a partnership between the Derry GP Federation and the Western Trust. MDTs are aimed at making additional services available to people in their GP Practice. MDTs will improve patient wellbeing with a greater focus on prevention and early intervention by increasing the number of professional healthcare staff available to see patients in each of the 28 GP Practices. These additional staff see and treat patients who would otherwise have to be seen by a GP. MDTs provide direct access in the GP Practice to the following:-

- Physiotherapists
- Mental Health Practitioners
- Social Work staff
- Additional District Nurses
- Additional Health Visitors.

The Derry GP Federation and the Western Trust want to plan, deliver and evaluate our services in partnership with people who are accessing and benefiting from them. To do this we need to develop an involvement plan and information pack on MDTs and are keen to hear your views. A series of short, virtual workshops will take place and we are offering service users the chance to attend.

Workshop	Description
Monday 5 <sup>th</sup> July 2021 – 3pm	Introduction meeting to give background to the work
Date TBC	Discussion and review of Information pack.
Date TBC	Discussion and development of Involvement Plan
Date TBC	Final meeting to present final draft of Service User Information Pack and Involvement Plan

It is anticipated there will be 4 workshops held during July - September to review the Service User Information Pack and develop the Involvement Plan. We want to hear a wide range of voices from service users or carers of a service user who has utilised one of MDT Services and we are keen to hear the voices from sections of the community that can be lesser heard. If you are interested in attending these virtual workshops, **please submit your details by 12pm on Tuesday 29th June 2021 to [PCMDT.Info@westerntrust.hscni.net](mailto:PCMDT.Info@westerntrust.hscni.net)** If you are selected to take part in the workshops, a member of staff will contact you.
