

# Lough Erne Yacht Club

## Sailability 2022

**Sailability is the RYA initiative to engage with people who have a disability, including wheelchair users, the opportunity to gain access to the pleasures of sailing.**

Sailing has the ability to transform a disabled person's life, Sailability provides the access to experience our wonderful sport.

Our aim at LEYCSailability, is to introduce folks to wonderful water-based activities, with a focus on those who have additional accessibility or other needs.

To assist us in achieving this, we have equipment, such as a hoist, accessible boats, such as the Hansa 303; access to the water via pontoons and support from trained and qualified volunteers.

We welcome participation from anyone with a disability or additional need who faces disadvantage – whether you have any on the water experience or not.

So come and join us to find out about the wonderful experience of being on the water, set your cares aside, come and have a go at learning a new skill, or just enjoy the wonder of Lower Lough Erne.

We plan to start 2022 Sailability sessions during the first week in May, with an initial launch on Tuesday 3rd May, the second weekly session being on Saturday 7th May.

To come and have a go, we would like to get to know you and with this in mind, we ask that an application form is completed and submitted before your first visit.

Application forms can be requested from the LEYC office (Monday – Thursday 9.30-3.30pm)  
02866388432  
or from
