

Your Opportunity to Make Change

Calling all those who have a learning disability and use services

The Patient and Client Council want to give you the chance to tell us your ideas about how **YOU** want to be supported and how you think health and social care services can be better for **YOU**

There are different things to do with Learning Disability services that you might want to talk to us about. Our staff are experienced in working alongside **YOU** to support and make sure **YOU HAVE YOUR SAY**.

If **YOU** would like to join this group, call **Suzanne Collins**, Projects Co-Ordinator
