

Omagh Hospital and Primary Care Complex

GP Practice Patients Notice

Appointments

Please do not arrive to the GP area without prior arrangement. You must have an appointment. Where you need help or assistance from a GP please contact the GP early in the morning. The afternoons are reserved for emergencies and patient examinations.

Where you have a Doctor/Nurse/ Treatment Room appointment please arrive **PROMPTLY AT YOUR APPOINTMENT TIME – NOT BEFORE** (alert the practice by the internal phone you have arrived)

Prescriptions

Prescriptions are sent directly to your nominated PHARMACY - our reception areas are not available for collection unless by prior arrangement

Letters or correspondence for GPs

Please use the designated post-box inside the main door of the hospital

Samples

Please use the designated sample drop of point at the main door of the hospital. Please ensure you complete a sample form and place the form and sample in an envelope in the drop off box.

Baby Clinic Appointments

Please report directly to the CHILDREN'S CENTRE unless your baby is 8 weeks- contact your GP reception for Doctor examination

Repeat Prescriptions

Please sign up for on-line ordering. Please contact your GP reception to sign up.

If you are unwell and have not made contact with your GP – please return to your car and phone the practice
