

**How to find us- Newborn Hearing Clinic, Maternity Delivery Suite, Southwest Acute Hospital**

Enter the hospital via the main entrance

You are not required to book in.

Take the first corridor on the right following the signs for Maternity –Delivery Suite

Once you pass through the double doors take the next corridor on the left following the sign for Maternity- Delivery Suite Lift C.

As you pass through the double doors the next right will bring you to Lift C

Enter the lift and select 1- the first floor. On exiting the lift turn left and left again onto the main corridor.

Continue along the corridor as far as this noticeboard and turn left.

Continue along the corridor to the double doors, that reads 'Maternity In-patients ↑ and Ward 8 ↑'. Enter here and let staff know you are attending the Newborn Hearing Clinic.

Take a seat in the waiting area and the Hearing screener will call you for the appointment.
