

Dear parent/guardian/professional

Re: Autism Information Session Level 1

Please find enclosed a timetable of dates available for Autism Intervention Sessions (Level 1) for 2020. The sessions are highly recommended to parents whose child has recently been diagnosed with ASD.

The morning will provide introductory information of ASD such as:

- What is the Autism Spectrum?
- The role of visual and communication strategies in supporting a child with Autism
- Details of how to register for more specific follow up training relevant to your child

At the end of this session you would be given a choice of further training to attend, should you wish to do so, on more specific subjects like “Promoting Positive Mental Health”, “Behavioural Management”, “Sensory Processing”, “Visual Strategies”, Improving your Child’s Sleep” and “Toilet Training”.

Please contact the Service on 71 308313 (if you’re in the Derry area) or 8283 5983 (for Omagh/Enniskillen area) to confirm a place on the date that suits you best.

Please advise a member of staff if you are a wheelchair user or have a physical disability that will impede you from moving freely including up and down stairs.

We look forward to see you again in the near future.

Yours sincerely

The ASD Service Team
