Join the Local Engagement Partnerships and the NI Social Work Leaders Network for an event exploring what co-production involves, the benefits using this approach and the application of co-production to social work.

Come along to understand:

- why co-production is an effective approach for improving outcomes
- what co-production involves: *the Four Co's of the Co-Production Star*- co-commissioning, co-design, co-delivery and co-assessment
- how to build on co-production in your own organisation or local area
- how to develop a strategic approach to co-production
