Re: Proposed venue and chair for Meeting with SOAS

Dear Neil,

We would just like to follow up on our letter of 2nd November last.
We did mention that we would get back to you shortly with details of both a proposed venue and independent chair for the meeting.

We are pleased to confirm that Councillor Barry McElduff, Chair of Fermanagh and Omagh District Council, has agreed to independently facilitate and moderate the meeting. SOAS welcomes this commitment to impartiality and constructive discussion, which we believe will be of great benefit to all parties.

We are also pleased to confirm that Fermanagh and Omagh District Council have kindly agreed to provide the use of the Council Chamber for this meeting. Your proposed date and time of Friday, 21st November 2025 at 2:30pm is now confirmed.

We kindly request that the Western Trust confirm their satisfaction with these arrangements by return, so that all necessary preparations can proceed smoothly.

Yours

Helen Hamill (secretary)

SOAS Committee
