How to Find Us- Ward 16/Newborn Hearing Altnagelvin

Welcome to Altnagelvin Hospital

Glenshane Road
Londonderry
BT47 6SB

Audiology/Newborn Hearing services are appointment only: **NB- Please allow yourselves to have enough time for parking as car parking can be very busy at these times.**

All car parking within the Hospital grounds is pay on entrance via ticket machines located by the front entrance or located in the car parks. Disabled car parking spaces are also available at the front of the Hospital.

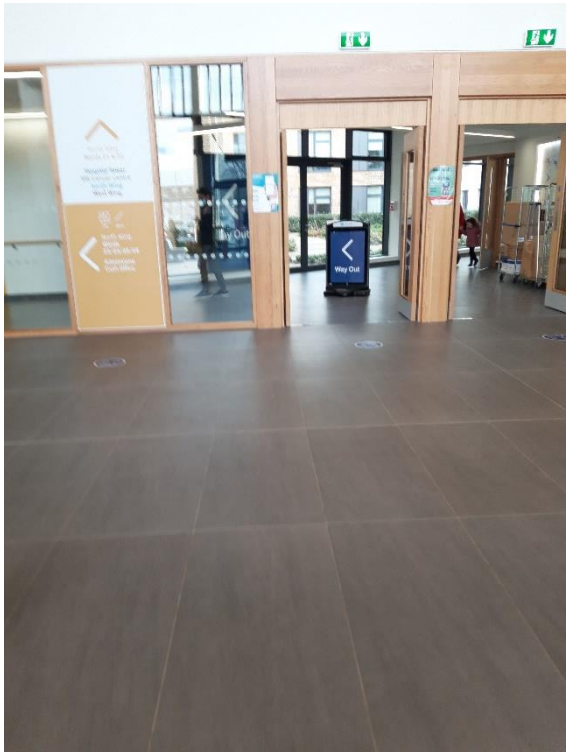
You can enter Ward 16 in 2 ways, both through the main entrance at the front and back entrance of the South Wing

1. Through the main entrance, and to the lifts on the ground floor.
2. Through the back entrance of the South Wing

Ward 16 route 1:

Entering at the main entrance

Newborn Hearing Screening



.

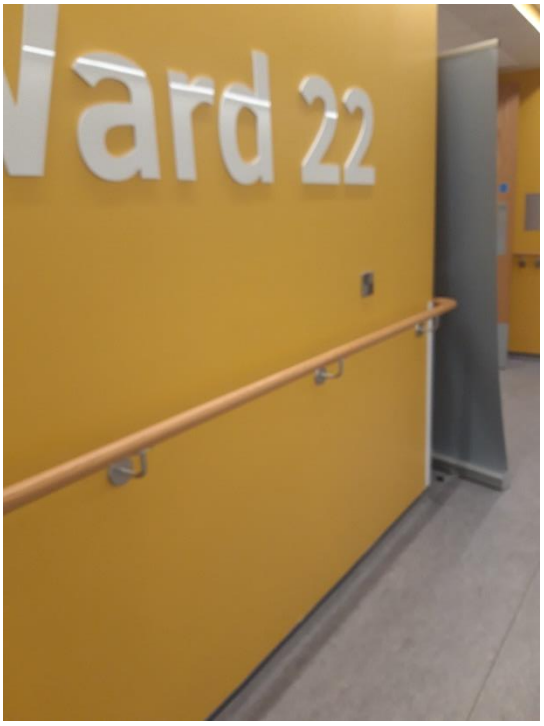
Go straight through the doors at the reception area and go through the first set of doors you see.

Newborn Hearing Screening

Keep walking down the corridor. Keep walking until you come to a 'crossroads' in the corridor.

Along the way you should see many signs on the wall pointing to the Tower block

Newborn Hearing Screening



If you see this, you are going in the right direction, the 'crossroads' is just after this

Once you get to a 'crossroads' in the corridor, turn right.

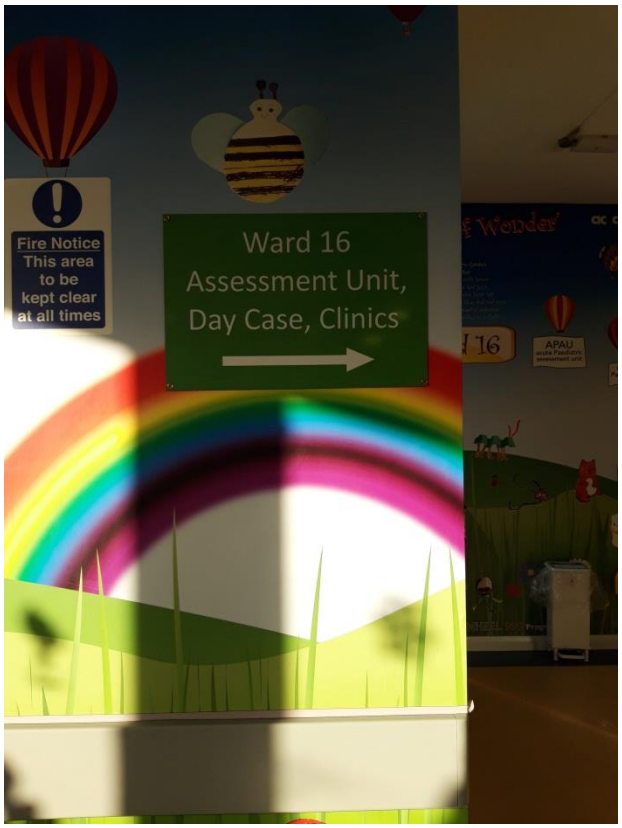
Newborn Hearing Screening

Walk to the end of this corridor and you will come to a foyer part (You will know if you are in the right place, there will be an ATM in front of you.) Turn left here through the doors

Here you can either get the lifts up to the 6th floor or take the stairs up to the 6th floor.

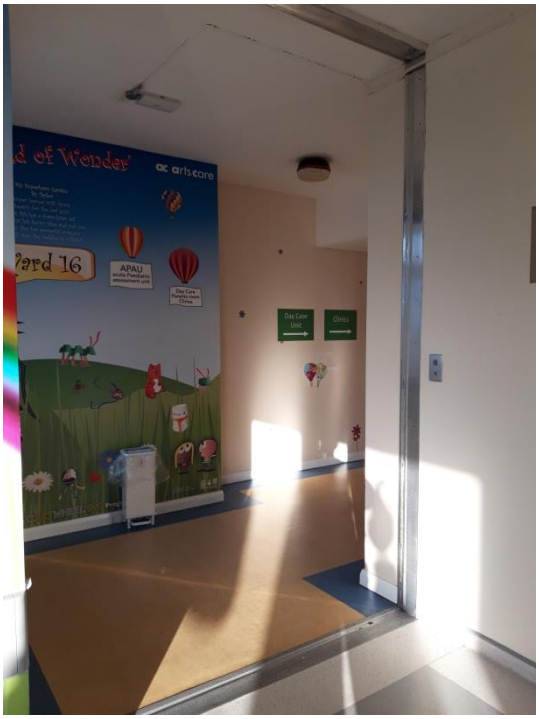
Newborn Hearing Screening

The Lift is just beside the stairs. When you go into the lift press button number 6.



Once you are at the 6th floor, turn right coming out of the elevators and walk into the corridor. You will see the label Ward 16 and Clinic outpatients

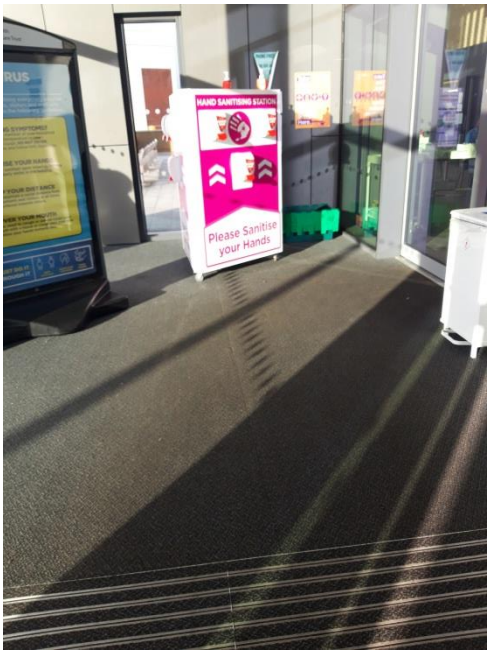
Newborn Hearing Screening



This is the entrance into the ward 16 clinic

Once you go through the corridor, there will be a blue door on your left, press the buzzer and a member of the screening team will let you in. Remember to stay quiet as there could be hearing tests ongoing

Newborn Hearing Screening



And remember to sanitise your hands in one of the many sanitising stations throughout the hospital.

Route 2 to Ward 16(South Entrance):

When you are coming in the Altnagelvin South Wing Main entrance, go up the steps to the front door

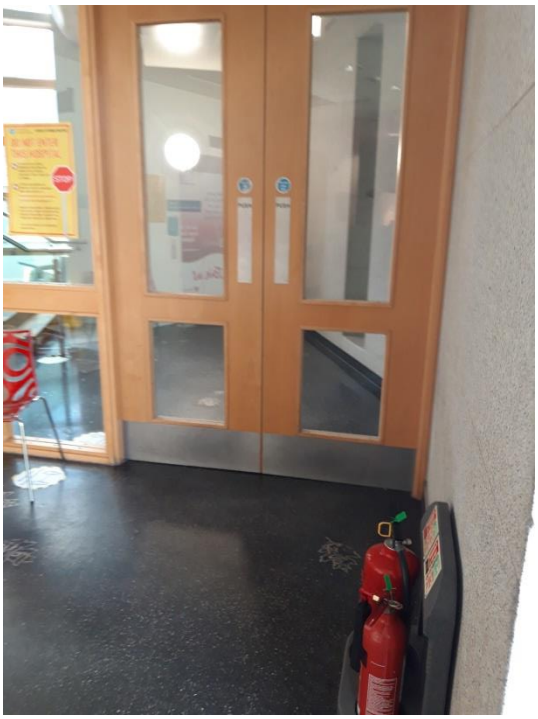
Newborn Hearing Screening

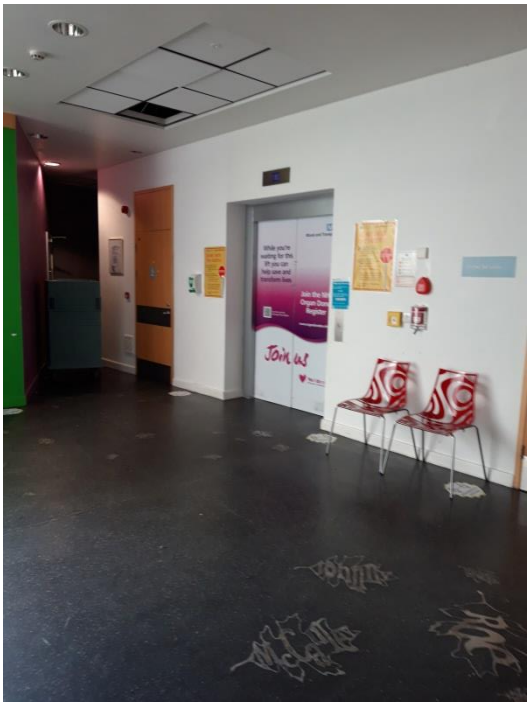
Once you go up the steps, you will be met with this entrance.

Go through this foyer and past the shop, but instead of going through the first doors, turn left just past the shop.

There is a lift or stairs which goes up to the 2nd floor.

Newborn Hearing Screening

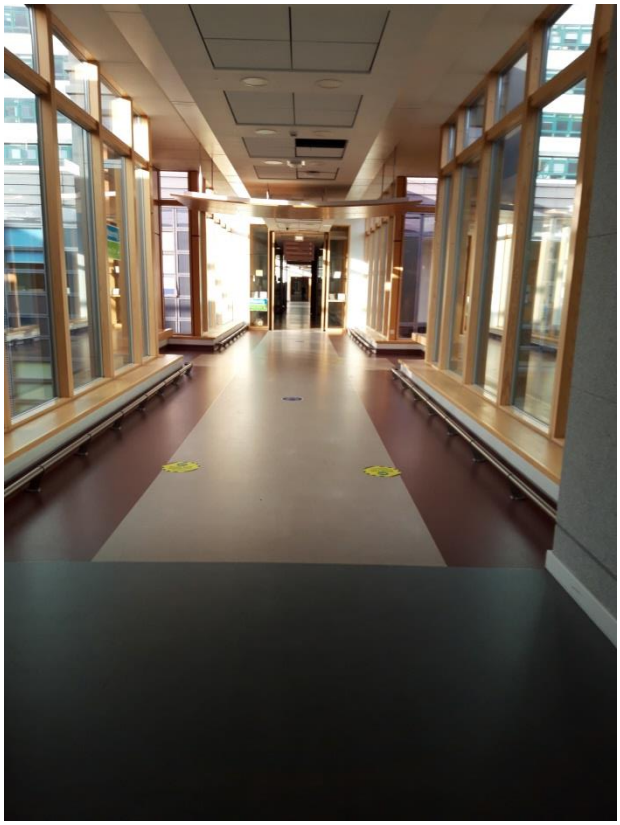




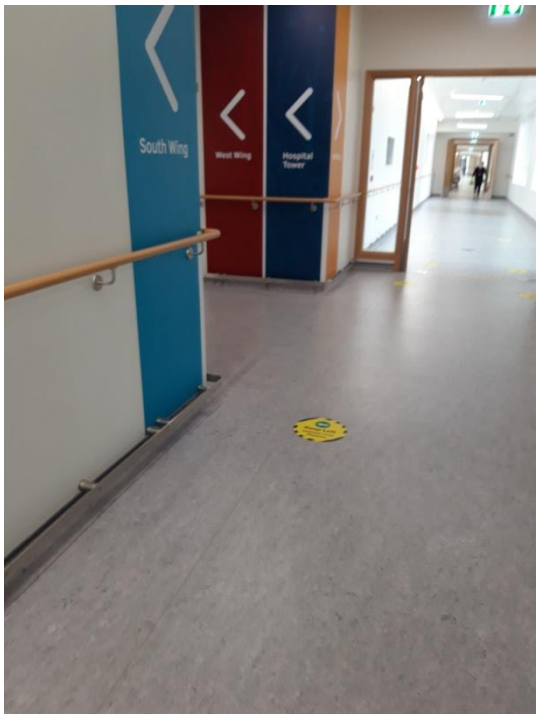
The lift and door to access the stairs

Once you get up to the second floor, go straight through the first doors you see.

Newborn Hearing Screening



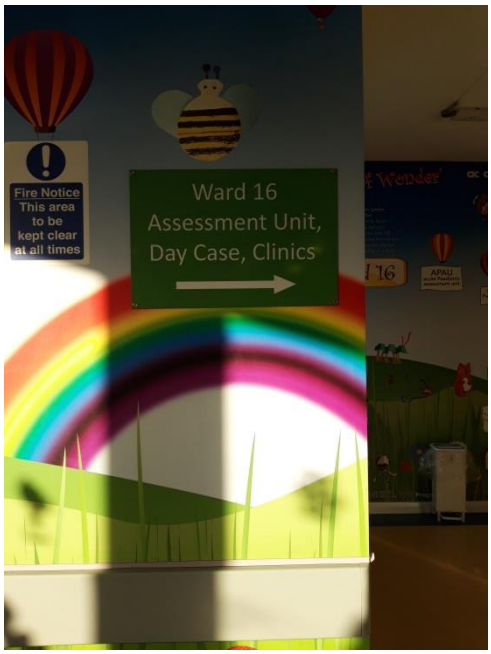
Keep walking until you come to a ‘crossroad junction’ like the previous route, turn left here and walk to the end of the corridor, turn left again and you will see lifts or stairs.



‘Crossroads’ in the corridor, turn left, walk to the end and turn left again. The stairs and lifts are located there

Newborn Hearing Screening

The stairs and the lifts



Once you are at the 6th floor, turn right coming out of the elevators and walk into the corridor. You will see the label Ward 16 and Clinic outpatients

Newborn Hearing Screening
